

**MEMORANDUM OF UNDERSTANDING (MOU)**  
**BETWEEN**  
**THE EVERGREEN STATE COLLEGE (EVERGREEN)**  
**AND**  
**WASHINGTON FEDERATION OF STATE EMPLOYEES (WFSE)**  
**CLASSIFIED EMPLOYEES**

**BUDGET-RELATED RELATED TEMPORARY LAYOFFS**

WFSE and Evergreen agree on a non-precedent basis to the following for fiscal year 2021-2022:

**1. Voluntary Temporary Layoff – Permanent Status Employee Option**

- a. Permanent status classified employees will be able to volunteer for a voluntary layoff or reduction to their weekly FTE status starting the week of July 5, 2021.
- b. Permanent status employees will be able to request a voluntary layoff or reduction in FTE for up to, but not exceeding, ninety (90) calendar days.
- c. Permanent, classified employees may request a voluntary temporary layoff or reduction in FTE by submitting a written request in advance of the effective date to their supervisor and a leave request using leave type “Voluntary LWOP” in the Leave System. The supervisor will review and approve or deny the request as soon as possible and prior to the effective date of the requested action.
- d. Voluntary layoffs will be awarded on one-calendar workweek increments. Employees may request to use their voluntary workweek(s) consecutively or in separate workweeks.
- e. Voluntary temporary reduction in weekly FTE may be requested on a daily basis in accordance with (1)(a) through (1)(c) above.
- f. Any vacation leave approved by Evergreen prior to approved requests for temporary layoffs will not be cancelled by Evergreen. Approved vacation time shall proceed as scheduled as it is the employee’s time earned. An employee may voluntarily choose to withdraw a previously approved vacation request, or modify said previously approved request, and request that the time be converted to temporary layoff.
- g. If it is necessary to limit the number of employees on temporary layoff or reduced FTE, the Parties agree that Evergreen retains the right to determine which positions will be granted a voluntary temporary layoff or reduction in FTE based on staffing and operational needs.
- h. A temporary voluntary reduction of FTE or a temporary layoff will not affect an employee’s periodic increment date or seniority date and the employee will accrue vacation and sick leave credit at their normal accrual rate.

- i. Employees have the opportunity to use eight (8) hours per month of accrued leave in order to maintain benefits.
- j. If a temporary reduction in FTE results in an overtime-exempt employee becoming overtime-eligible, the employee will accurately report hours worked in accordance with Article 7.7, Overtime-Eligible Employee – Positive Time Reporting.
- k. Employees will return to their regular work schedule, regular shift, FTE, position and pay at the end of their temporary layoff unless notice is provided that indicates otherwise.
- l. An employee may contact a WFSE staff or WFSE shop steward for assistance in understanding their rights, if requested.
- m. If a permanent layoff should occur while the employee is on temporary layoff or reduction in FTE, Article 35 of the collective bargaining agreement will apply.
- n. Voluntary temporary layoffs and reductions in FTE will conclude on June 30, 2022.

**2. Involuntary Temporary Layoff – Employer Option**

Evergreen retains the right to implement temporary layoffs in accordance with Article 35.6 of the classified employees’ collective bargaining agreement.

- 3. Employees will not be required to perform work of any kind for Evergreen while on temporary layoff.
- 4. Nothing in the Agreement is intended to prevent employees from applying for other state or federal benefits for which they qualify, including but not limited to, unemployment insurance, paid family and medical leave, or workers compensation.

This Agreement expires on June 30, 2022.
