THIS REQUEST IS VALID FOR ONLY ONE QUARTER

I. CREDIT LIMIT

Up to four (4) quarter hours in planned undergraduate curriculum or graduate level courses may be taken each quarter on a space available basis using this waiver program. Employees registering for more than four (4) credits will be charged full tuition for all credits.

II. FEES

A nonrefundable registration fee of \$100 per quarter will be assessed each participant to cover the costs of program administration. In addition, participants will be charged for special course and academic fees when applicable. Employees will also be expected to pay course add/drop fee and other fees as appropriate.

III. EXCLUSIONS

Tuition waivers cannot be used for self-supporting courses (including summer school). This tuition waiver is available during the fall, winter, and spring quarters. No new course sections will be created as a result of participant registration; individual learning contracts, internship contracts, and theses are likewise excluded. Graduate program sections are excluded from this waiver; only graduate courses (electives and concentration courses) are eligible. Employees enrolling under the tuition exemption program are not eligible to use certain services and facilities supported by service and activities fees, including library services and media loan, nor are employees eligible to purchase tickets to athletic or performing arts events at student rates. Employees do not receive a student ID card or validation sticker and are unable to receive student rates for services.

IV. REGISTRATION

Mail or turn in this completed request for tuition exemption to the Registrar's Office. Registration begins on the 2nd day of each quarter on a space available basis, which means open space in the class with no existing waitlist. No course which admits students on a space available basis shall be overenrolled or filled beyond pre-established class size limits.

V. CREDITS

Credits will be determined and posted to participant's transcripts in the same manner as regular tuition-paying students. Evaluations will be sent to students each term. Transcripts must be requested from the Registrar's office.

I have read the guidelines above and understand the limitations of this waiver. I hereby request this waiver as an eligible public employee.
